
JUSTIFICATION STATEMENT FOR CONSULTANT SELECTION

Emigration Visitors District Transportation Study DFCM Project No. 02243750

- The combined firms of Fehr & Peers, Parsons Brinkerhoff Quade & Douglas, and Sear-Brown offered a greater depth of master-planning experience.
- The Fehr and Peers team brought a planning perspective as well as the technical engineering experience to the project.
- The deliverables described by the team were what the committee felt was needed to communicate with a very diverse group of participants.
- The Fehr and Peers team was not the lowest cost but was within a competitive range.
